Member News

Calling All Members - [Recruit a New Member by participating in the ASIP Member-Get-A-Member Campaign](#). Regular ASIP members receive a \$25 reduction in 2017 membership dues when recruiting a new Regular or Next Century member. Trainee members receive a \$5 reduction in 2017 membership dues when recruiting a new Trainee member.

Did you move recently? [Please remember to update your contact information and upload your photograph to the Member Directory](#). Click on the "ASIP Member Access" button to log into MemberClicks. Instructions for uploading your photo can be found under the "How To" tab in the teal banner.

[If you attended any of the ASIP CME sessions at the ASIP 2016 Annual Meeting at Experimental Biology, you are eligible to receive a maximum of 31.25 AMA PRA Category 1 Credit\(s\),™](#). Physicians should only claim credit commensurate with the extent of their participation in the activity. Receiving CME Credit for this meeting is a two-step process: 1) Completing the registration form and payment submission (ASIP members - **FREE**, Non-Members - \$100) and 2) Submission of the CME and Meeting Evaluation Form. A CME certificate will not be issued unless both parts are completed. **DEADLINE JUNE 1st**.

Journal News

Now that you're back from the ASIP 2016 Annual Meeting, are you ready to submit your manuscript? [Here are some tips for preparing your submission for The American Journal of Pathology \(AJP\)](#).

If you've heard *The American Journal of Pathology* has high publishing fees, think again... Under new 2016 Publication Fees, there are no more fees for color, tables, or supplemental data, and ASIP Regular Members pay just \$185 per page. [That's a savings of more than \\$1000 for the average article \(12 pages\)](#).

Novel Research Lays the Groundwork for [New Therapies Against Sepsis](#), as reported in *AJP*.

Do you read *The Journal of Molecular Diagnostics (JMD)*? [Read the articles, complete the online exams, and earn up to 36 CME credits per year](#).
